As college football's regular season winds down in the NCAA's top two division, Bowl SubDivision and Championship SubDivision; playoff are starting in NCAA II and III and the NAIA.

Since the 1885 Princeton Tigers scored 645 points, in becoming the initial college football eleven to score at least 500 points season—there have been 166 teams to record at least one such season...and 393 accomplishments.

Over the next few weeks, a release will be emailed to inform college football fans of the teams that have reached or striving to accomplish this feat.
